Financial Notes

We encourage our parents to promote our school among your neighbors, friends, and family. If you are influential in the enrollment of a new family, we will be happy to **credit your account** \$50 for a family with children in grades 1-12, and a \$25 credit for a kindergarten family. There will be a limit of two credits per school year.

School payments are to be made in the **Financial Office**. If payment is sent in, please send it in the tuition envelope provided by the Financial Office. If you drop off your tuition early or late, the payment can be placed in the **drop box** on the door of the financial office. The school will not be responsible for payments handed to school personnel other than office personnel.

A listing of Tabernacle Christian's **financial policies** will be given to you at the time of registration. This listing should be read carefully, signed and returned to the financial office. We must have a signed financial policies form on file for each family.

Kindergarten Registration is due in full before enrollment is accepted. Registration fees cover textbooks, workbooks, Student Accident Insurance, bookstore supply packets and membership fees in the ACEA/AACS. Payment for kindergarten students is separate from elementary and high school students and is not considered second or third child in combination with the other payment program. No combined payment is available for kindergarten students.

Elementary and High School Registration fees include an office fee, workbook, textbooks and book rental fees, yearbook fee, ACEA/AACS membership fees, SAT testing fee, and Student Accident insurance fee. It also includes a bookstore supply packet for elementary students grades 01-06.

At least **one-third** of grades 01-12 registration fee must be paid in order to **hold a place** for your child on the class roster. Spaces are limited and will fill quickly.

All **athletic fees** are due before uniforms are issued by the coach.

The registration fee is non-refundable. Parents will be granted a 72-hour grace period in which a partial amount of registration would be refunded if extenuating circumstances arise.
