## PRAYING FOR OUR STUDENTS

Governor Dr. Robert Bentley has proclaimed the *last Friday in March* “**Day of Prayer Over Students Across Alabama.**” This is a day when parents and grandparents take time to pray for our students, teachers, staff and administration. We appreciate so much the continual prayers of our parents. Thank you also for the mom’s who come up on Thursday mornings to pray for Tabernacle Christian every week!

## REENROLLMENT REMINDER

Reenrollment is under way and classes are filling nicely. Many interviews have been set up for the beginning of April as we enroll new families for the Fall. This is just a reminder to be sure to turn in your paperwork so that your student’s place is secured. On Friday, April 1 (5 school days remaining) enrollment opens to the public and we’ll have a rush of eager parents who will get their students signed up at Tabernacle. The reason we put out this reminder is because each year, current students lose their place because of an oversight in turning in the necessary materials. We certainly hope that doesn’t happen this year. Please let us know if you have any questions!

## TORCH WEEK 2011

Monday, March 28 begins our annual Torch Week 2011. The week features dress up days for all students. Notice the departmental difference for Monday’s dress up day.
