As seen on:

Parents deserve to be in the driver's seat when it comes to kids and tech.

No contracts. 30-day money-back guarantee. Plans as low as \$19⁹⁹/mo.

Today's children are tomorrow's future.

Join us and together, let's ensure they are empowered and given their best chance to succeed in today's hyper-tech world.

Did you know?

The Gabb Phone decreases time spent on a phone by 80%.

The average child and teen spend 4-7+ hours a day on a screen.¹

Screen addiction causes anxiety, depression, and poor scholastic performance.²

I have demonstrated the Gabb Phone to numerous parents and school leaders and have yet to meet someone who was not impressed. It's wonderful to have a phone option that keeps kids safe and empowers parents.

Jeff Walton

Executive Director, AACS

The Gabb Phone is the most important tool, in the past 15 years, designed to help keep kids safe.

Meg Meeker

Pediatrician and host of *Parenting Great Kids*

Thank you, Gabb! Now we can stay connected with our son without any worry. He loves your phone, and we love having peace of mind.

Joy B.

South Jordan, UT

Protection for kids. Peace of mind for parents. **Get the perfect first phone for \$69 with promo code**
